Thanks – I'll incorporate the edits, etc. into the CAFO. I'll also draft a cover email so we can get CAFO and audit back to WF (hopefully) later today.

See attached draft 3<sup>rd</sup> party audit with some comments and edits.

See attached draft CAFO with my comments and minor edits. Also attached is the draft proposed final order updated to reflect the legal entities that were added within the last few weeks.

I've also asked Diana to review some sections mostly confirming where penalty should be paid, etc.

# Ex. 5 AC/DP

I'll review the audit now.
